

ON ADDITIONAL MEASURES TO ORGANIZE THE ACTIVITIES OF THE YEOJU TECHNICAL INSTITUTE IN TASHKENT

Regarding the training of highly qualified personnel for the sectors of the economy of the republic in accordance with international requirements and standards in the field of architecture and urban planning, construction, alternative energy, tourism and business and, in order to further strengthen public-private partnerships in the field of higher education, develop long-term relations with leading higher educational institutions of foreign countries and improve the Yeaju Technical Institute in Tashkent, the Cabinet of Ministers decides:

1. The following:

a) A joint venture in the form of a Limited Liability Company “Yeaju Technical Institute in Tashkent” (hereinafter referred to as the Institute), which is organized in partnership with “Global Education School”, a non-governmental educational institution and “YUKET LLC” LLC (Republic of Korea) (hereinafter referred to as Founder), started its operation from September 2018 on the basis of a license issued by the State Inspectorate for Educational Quality according to the Decision of the Cabinet of Ministers of the Republic of Uzbekistan from March 27, 2018 of No. 241 "About licensing of operation in the field of non-governmental educational services";

b) The main objectives of the Institute are indicated by organizers as follows:

Architectural and urban planning, construction, renewable energy, tourism and the development of the country in accordance with the prospects of socio-economic development of the country, taking into account the needs of the labor market, as well as the goals of the Strategy of Action in five priority areas of development of the Republic of Uzbekistan for 2017-2021, training of highly qualified personnel in the field of business and other required areas;

- The systematic organization of student practice in institutions engaged in the field of architecture and urban designing, civil engineering, renewable energy, tourism and business;
- The implementation of foreign experience, modern pedagogical and information-communication technologies in the organization of the educational process, the involvement of qualified foreign, trained and internationally trained specialists in the educational process;
- Carrying out innovative and research activities in the areas of architecture and urban designing, civil engineering, renewable energy, tourism and business, taking into account the need for scientific research;
- Establishing strong cooperation and integration with research and educational institutions, organizations in the field of architecture and urban design, civil engineering, renewable energy, tourism and business.

2. Establishment:

The Institute is a non-governmental higher educational institution in the form of a limited liability company;

The Rector of the Institute is appointed and dismissed by the founders in coordination with the Ministry of Higher and Secondary Special Education of the Republic of Uzbekistan;

The Institution's structure is approved by the founders;

The Institute carries out educational activities in Uzbek, Russian and English according to the curriculum and programs of the Yeosu Technical Institute (South Korea), taking into account the requirements of the legislation of the Republic of Uzbekistan on education;

Graduates of the Institute are awarded with a diploma of the established standard, which is recognized as a document of Higher Education in the Republic of Uzbekistan;

Admission to the Institute is carried out by the Yeosu Institute of Technology (with the participation of the Republic of Korea) among applicants with general secondary, special and vocational education.

The parameters and procedure for admission, procedure and conditions for the final certification of graduates are determined by the Institute in conjunction with the Yeosu Institute of Technology (South Korea);

Studying at the Institute is carried out on a paid, day time, part-time and evening basis.

The amount of tuition fees is determined by the organization.

3. The proposal on admission to the institute on grant basis of at least 10, most gifted and perspective applicants with high academic records from families which need social protection is to be approved.

4. It is to be noted that the Institute carries out the major maintenance and refurbishment of the building and premises, study rooms, labs, furniture, computers, educational literature, financial-technical facilities by means of the following sources:

- Institute's funds;
- funds allocated from students who study on contract basis;
- the funds allocated from services provided by agreement;
- funds allocated from charity foundations;
- international financial organizations, international partners funds;
- from other sources not prevented by law.

5. The Institute will be able to provide new undergraduate education and a Master's degree in accordance with the requirements of the labor market and the prospects for socio-economic development, in coordination with the State Inspection for Education Quality Control under the Cabinet of Ministers of the Republic of Uzbekistan, the Ministry of Higher and Secondary Special Education, and the Yeosu Institute of Technology.

6. The Ministry of Foreign Affairs of the Republic of Uzbekistan shall, in accordance with the order of the Ministry of Higher and Secondary Special Education and the Institute, ensure the registration of entry visas for foreign faculty and administrative staff and their family members involved in the implementation of this decision.

7. Issuance and prolongation of multiple visas in accordance with the established procedure, without any state fees for the faculty and administrative staff and members of their families, involved in the implementation of this decision, at the request of the Ministry of Higher and Secondary Special Education and the Institute; as well as the temporary registration of their place of residence and the extension of said registration.

Control of execution of this resolution to assign to the Deputy Prime Minister of the Republic of Uzbekistan on social development A. A. Abdukhakimov, Minister of Higher and Secondary Special Education of the Republic of Uzbekistan I. A. Majidov and Head of the state Inspection for Educational Quality at the Cabinet of Ministers U. Tashkenbayev.

Prime minister of the Republic of Uzbekistan

A. Aripov
